Important Information

Please read this manual carefully before using this software. If the software is to be used by young children, the manual should be read and explained to them by an adult.

Health and Safety

Before use, please read the contents of the Health and Safety Information application on the Wii U Menu. It contains important information that will help you enjoy this software.

Language Selection

The in-game language depends on the one that is set on the console. This title supports six different languages: English, German, French, Spanish, Italian and Dutch.

If your Wii U console language is set to one of these, the same language will be displayed in the game.

If your Wii U console is set to another language, the in-game default language will be English. You can change the console language in System Settings.

Age Rating Information
For age rating information for this and other software, please consult the relevant website for the age rating system in your region.

Controllers

The following controllers can be paired with the console and used with this software.

- A Classic Controller can be used instead of a Classic Controller Pro.
- To play multiplayer modes, each player needs a separate controller.
- Only one Wii U GamePad can be used with this software at a time.
- A Wii Remote Plus can be used instead of a Wii Remote.
- A Classic Controller can be used instead of a Classic Controller Pro.

Pairing Controllers

Open the HOME Menu and select "Controller Settings" ⇒ "Pair". Follow the on-screen instructions to pair your controller.
This software supports amiibo. You can use compatible amiibo™ accessories by touching them to the NFC touchpoint (◼) on the Wii U GamePad.

Your amiibo aren't just for show. You can use NFC (near-field communication) to connect them to compatible software and play with them in the game. For more information, visit: http://amiibo.nintendo.eu/

♦ Each amiibo can only hold game data for one software title at a time. In order to create new game data on an amiibo that already has data saved on it from another game, you must first delete the existing game data. You can do this by going to Wii U Menu ⇒ System Settings ⇒ amiibo Settings.

♦ An amiibo can be read by multiple compatible software titles.

♦ If the data on your amiibo becomes corrupted and cannot be restored, go to Wii U Menu ⇒ System Settings ⇒ amiibo Settings and reset the data.
Connect to the internet to enjoy these features:

- **Miiverse™**

  ✦ To use online features you must first connect to the internet and set up Miiverse.
  
  ✦ For information about connecting your Wii U console to the internet, refer to the Wii U Quick Start Guide.
  
  ✦ For information about Miiverse, refer to the Miiverse section of the Wii U Electronic Manual. To view the Wii U Electronic Manual, press ͆ while on the Wii U Menu to open the HOME Menu, then select ?.
Parents and guardians can restrict certain features of the Wii U console through Parental Controls on the Wii U Menu. The following features can be restricted:

13 Items and Things

**Heart**
Restores your life energy.

**Bead**
They come in three sizes: small (worth 1 bead), medium (worth 5 beads) and large (worth 10 beads).

**Stamp Patch**
Collect a certain number to get new stamps that you can use on Miiverse.

**Wonder Wool**
There are five in each course - collect them all to knit a Yoshi back together!

**Smiley Flower**
There are five in each course - the more you collect, the better your chances of getting to play a bonus game at the end of the course.

◆ Collect every single one in a given world and something nice might happen…
Yarn Basket
Bump it from below and yarn balls will come flying out.
◆ You can hold up to six yarn balls.

Winged Cloud
Hit it with a yarn ball or an enemy to make all manner of nice things happen.

Transformation Door
Passing through these doors will temporarily transform Yoshi.

◆ In addition to those listed above, there are many more objects to discover throughout the game.

While transformed...
Aim to reach the exit within the allotted time! Collect a ☕ to gain a few extra seconds.
◆ If time runs out, you will find yourself back at the Transformation Door.
The Smiley Flowers that you collected throughout the course will appear on the Goal Ring. Pass through the ring to clear the course.

**Bonus Games**

A light flashes around the Goal Ring and will come to a halt when you pass through the ring. If it rests on a Smiley Flower, then congratulations - you get to play a bonus game!

**Course Results**

Here you can check how well you did on the course you've just cleared.
If you press ` in places like the pause menu, you can switch the game to Mellow Mode. In this mode, Yoshi grows wings and can fly, making his adventure a lot easier.

### How is Mellow Mode Different?

<table>
<thead>
<tr>
<th>Feature</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wings</td>
<td>If you hold down ` while Yoshi is in mid-air, he will keep flying for as long as you keep the button pressed.</td>
</tr>
<tr>
<td>Hearts</td>
<td>The number of hearts you start the course with and the number of hearts you find while playing will be doubled.</td>
</tr>
<tr>
<td>Bosses</td>
<td>Even if you lose a boss fight, you'll be able to get a rematch instantly.</td>
</tr>
<tr>
<td>Invincibility Eggs</td>
<td>One of these will appear if you fail a course five times. While under its effects, you will take no damage from enemies.</td>
</tr>
<tr>
<td>Power Badges</td>
<td>You'll be able to use a special power badge to instantly clear a course. It will cost you a hefty amount of beads, though!</td>
</tr>
</tbody>
</table>
As you progress through your adventure, you will get your hands on a number of power badges. Power badges can be used to give your Yoshi various special abilities!

**How to Use Power Badges**

You can select the power badge you'd like to use when entering a course, or while playing through the course via the pause menu.

**Selecting a Power Badge**

A certain number of beads are required in order to use a power badge. Once you've selected a badge you will be able to make use of its ability until you have either cleared or exited the course.

◆ You can only use one ability at a time. If you select a different power badge, its ability will replace the one you already had selected.
If you play the game with a friend, you can help each other out!

If You Fail...

If one player fails, it's still possible to make a comeback, so long as the other player keeps going.

Winged Egg

If the other player is still in the game when you fail, you'll return to the course trapped in a winged egg. Keep pressing buttons to get close to your friend, and if they can touch you, you'll be free!

If both players fail...

If one of the following happens, you'll have to try clearing the course again, either from the very beginning, or from a checkpoint you've activated.

- A player fails the course while the other is in a winged egg.
- Both players fail at the same time.
Use amiibo to get access to a plethora of exciting features, such as the chance to play as Double Yoshi!

◆ Features will vary depending on the type of amiibo used.

**Yarn Yoshi amiibo**

To use a Yarn Yoshi amiibo, hold it so that the amiibo logo found on the underside of the figure touches □ (the NFC touchpoint) on the Wii U GamePad.

**Double Yoshi**

If the amiibo is read while playing through a course in single-player mode, an extra Yarn Yoshi will appear. All attacks and actions will double up.

**Saving a Yoshi You Like**

In the Yoshi Hut you can save your favourite Yoshi to a Yarn Yoshi amiibo. This way, you can bring in your favourite Yoshi to help out as Double Yoshi when playing through a course.

<table>
<thead>
<tr>
<th>Save As Is</th>
<th>Save the design of the selected Yoshi to an amiibo.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Change Colour</td>
<td>Change the colour of the selected Yoshi, then save him to an amiibo.</td>
</tr>
</tbody>
</table>

◆ In two-player mode, each player will need to enter the hut separately, one after the other.
◆ An amiibo can only hold one Yoshi design at a time.
If the amiibo is read while playing through a course in single-player mode, a Yoshi with an appearance similar to that of the figure will appear and act as Yoshi's double.

The designs you call in as Double Yoshi can be saved in the amiibo Hut when the course is completed.

Yoshi amiibo (Other than Yarn Yoshi)

If the amiibo is read while playing through a course in single-player mode, a Yoshi with an appearance similar to that of the figure will appear and act as Yoshi's double.

Other amiibo Figures

If one of these is read it will let you play with a specially-designed Yoshi.

♦ When used during a course in two-player mode, only the design of Player 1’s Yoshi will change.

Designs that have been previously read are saved in the amiibo Hut.
