Collect stickers!

Peel off and keep any stickers you find around the world, buy them at sticker shops or make them from the assorted "things" you pick up on your way. Defeated foes sometimes drop stickers, too. Oh, and you could even try whacking the grass and trees...

Battle controls

★ Press **A** at just the right time!

Boost the power of any sticker by pressing **A** at just the right moment or interval. Timing is crucial!

★ Strike first in the field!

Sneakily hit an enemy outside battle and you'll start the fight with an advantage.

★ Press **X** to start the Battle Spinner!

Useful for when you're badly outnumbered or running out of health.

★ Run away!

Sometimes running is the best option! Repeatedly press **A** to increase your chances of getting away.
