

CREATE YOUR VERY OWN CAT MARIO EARS!

AS THE STAR OF THE CAT MARIO SHOW, MARIO WEARS HIS CAT COSTUME WITH PRIDE. HOW ABOUT CREATING YOUR OWN SET OF KITTY EARS?

SAFETY FIRST!

Ask a grown-up to help you cut out the ears and put them together.

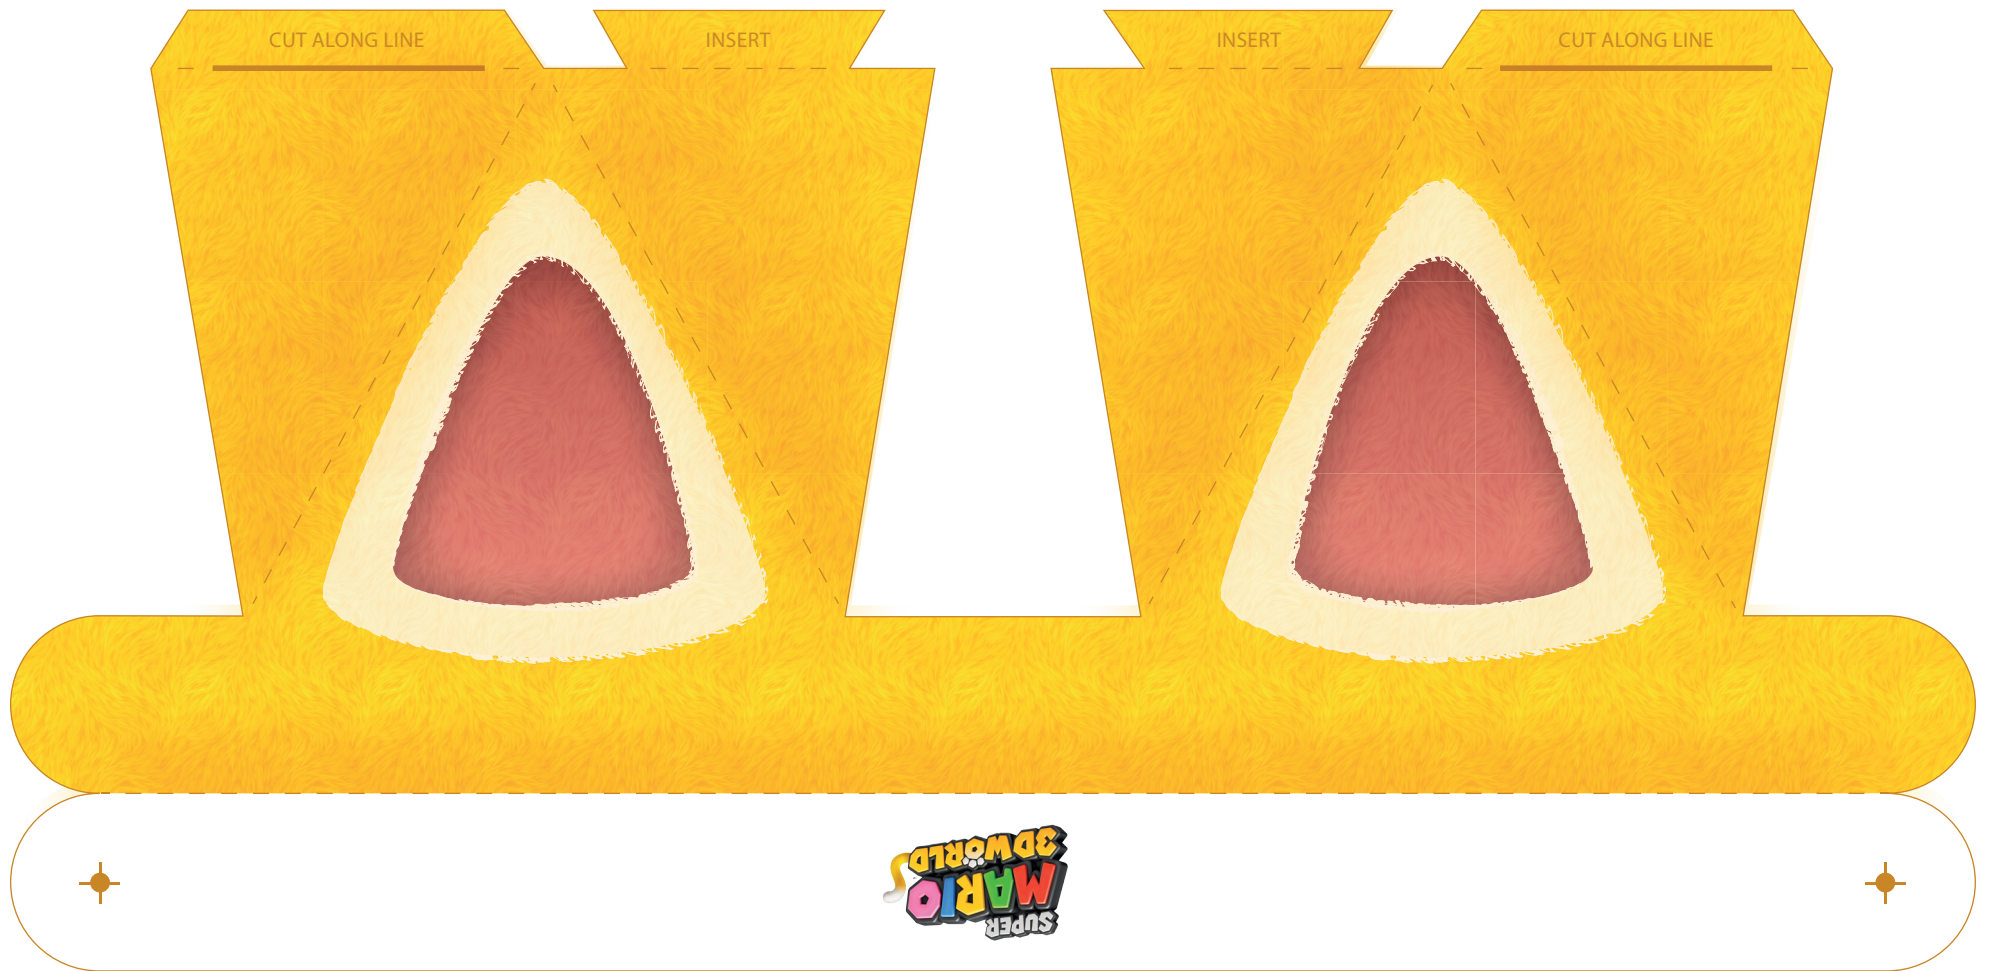

You Will Need:

- 1) A printed copy of our Cat Mario Ears (see below)
- 2) A pair of scissors
- 3) Sticky tape
- 4) A hole punch
- 5) A piece of string or ribbon

Instructions:

- 1) Ask a grown-up to help you cut around the outline of the shape with the scissors, and create slits for the tabs by cutting along both solid lines.
- 2) Fold one ear away from you along the dashed lines (including along the tab and tab slit lines).
- 3) Insert the tab into the slit next to it - the tabs should be inside each ear. To secure the tabs, attach a small piece of sticky tape inside the ear. Repeat with the other ear.
- 4) Fold the headband away from you along the dotted line, then use the hole punch to make a hole through each gold spot on the white side of the headband.
- 5) Thread a piece of string or ribbon through each hole and tie together. Make sure there's enough length to fit round your head.
- 6) Wear with pride, just like Cat Mario!
