

DRESS UP LIKE MARIO AND LUIGI!

SAFETY FIRST!

Ask a grown-up to help you cut out the pieces and put them together!

YOU WILL NEED:

A printed copy of the Mario & Luigi Disguise Kit

A pair of scissors

Some string or ribbon

Sticky tape

A hole punch

Lolly sticks

STEP 1

Ask a grown-up to help you cut along the dotted lines around each shape with scissors.

STEP 3

For the moustaches, tape a lolly stick to the back on one side of each moustache, to make a handle.

STEP 2

Punch a hole on each side of the hat pieces where shown, then tie string through the holes you've made.

STEP 4

Tie the hat around your head and hold up your moustache stick! Does anyone recognise you? Maybe add "a" to certain words when you talk: "That's a-right!"

TIP:

To make your hats stronger, stick some sticky tape onto the back of each paper hat piece, right where you'll punch your hole, *before* you punch it through.
