

Make a Mario Party Cover Kit

SAFETY FIRST!

Ask a grown-up to help you adjust the book cover size with scissors.

You Will Need:

A printed copy of the
Mario Party Book Cover Kit

Sticky tape

A pair of scissors (optional)

Step 1

Place the first page of Mario Party Book Cover Kit face down. Then, open the front cover of your book and line it up with the image on the book cover kit. You can use scissors to adjust the size of your book cover.

Step 2

Once it's all lined up, fold the longest edge of the printout into the front cover of the book.

Step 3

Fold the top and bottom edges so that they fit the size of the book. Then, on the inside covers of the book, tape down the folded parts of the printout with some sticky tape.

Step 4

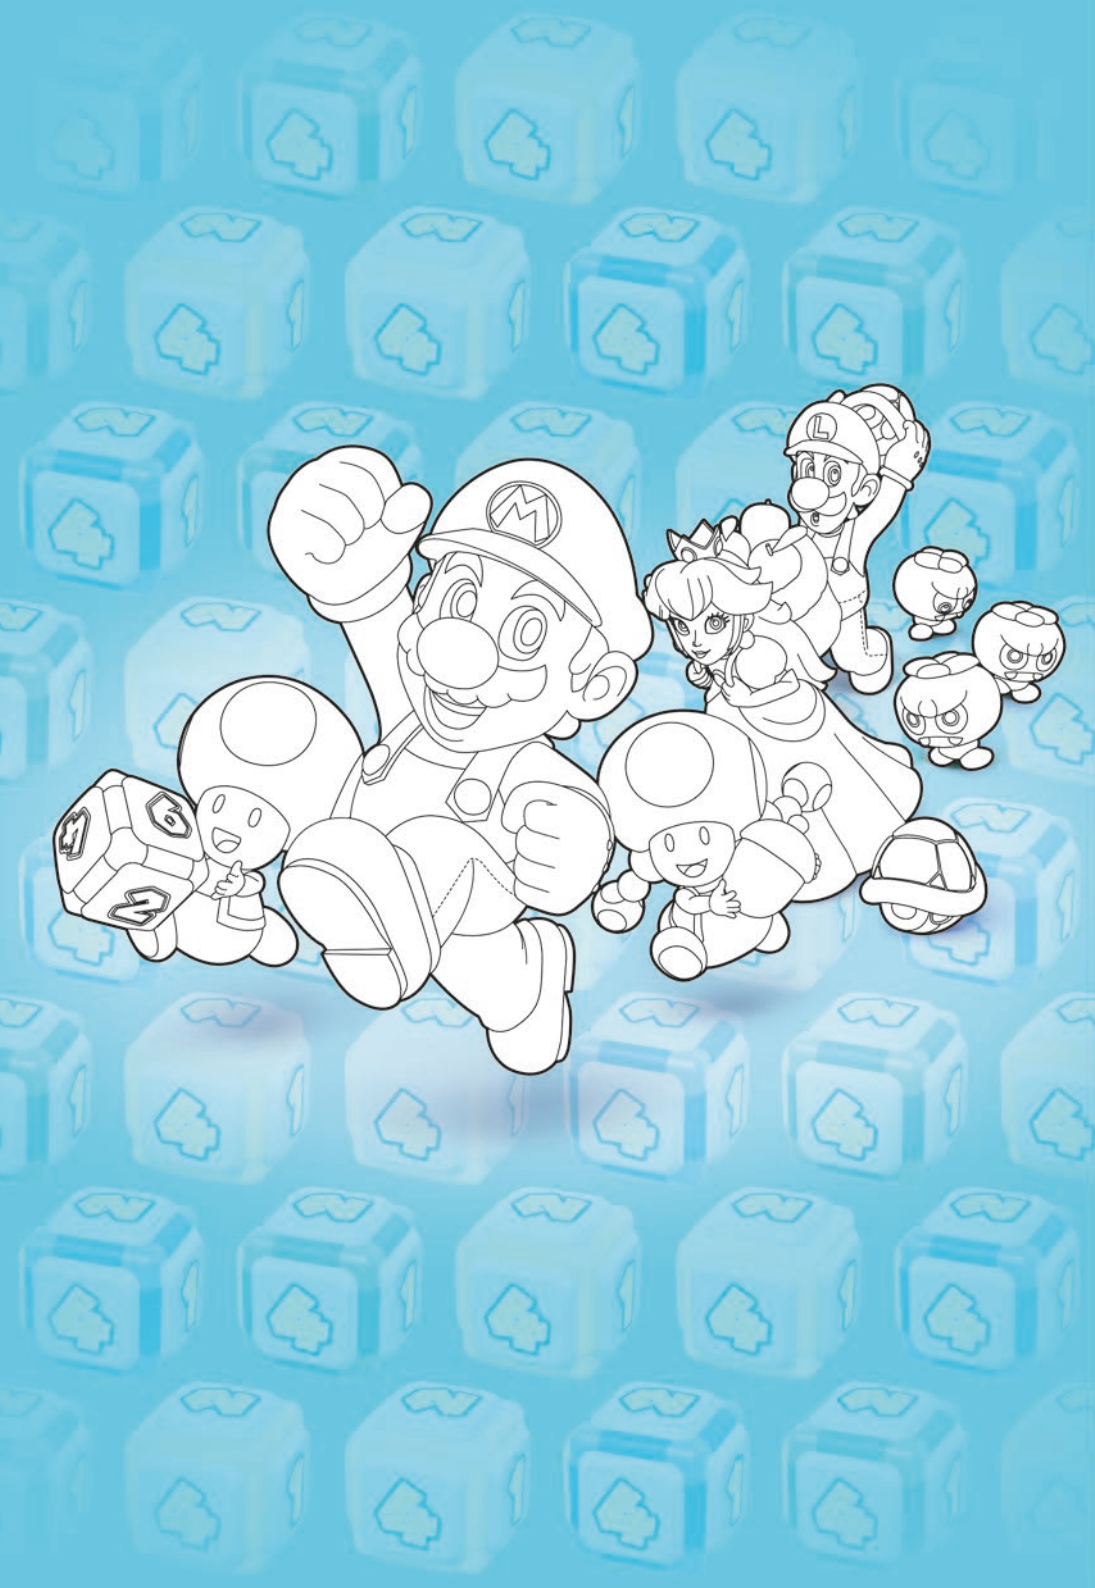

Repeat this process with the back cover to give your book a nice new cover!

Tip: Ask a grown-up to help you line up the book cover.
